

GET INVOLVED

NCSMSB is a non-profit organization that relies on public donations and government grants for its activities. Most of its income is used to support the palliative home care service, which is provided free of charge.

Donations to NCSMSB are tax exempt and can be sent through S Pay Global (SarawakPay), cheque, cash or inter bank transfer.

VOLUNTEER

NCSMSB's activities are mainly managed by volunteers. We welcome volunteers to be involved in our activities such as organizing events, fundraising, educational talks, home care or administration.

If you would like to volunteer with NCSMSB, please download the **Volunteer Form** at <https://sarawakcancer.org.my//>

PARTNER US

NCSMSB needs the support of the community so that it can provide the care needed by the community. NCSMSB welcomes corporations, other NGOs and individuals to be partners in caring for the community.

Please contact NCSMSB for partnership opportunities.

Donations Are Appreciated!

We depend on the generous hearts of benefactors to sustain us financially.

VISION

*"Living in a
world without
cancer"*

MISSION

"To ensure that no Malaysian fears cancer by creating an understanding of cancer that leads to prevention and early detection, and by providing the best possible care and support for those affected by cancer".

The National Cancer Society of Malaysia Sarawak Branch (NCSMSB) is a non-profit, non-government organization established in 1986 in Kuching, Sarawak.

Our main activities are palliative home care, loan of medical equipment, public awareness/education and training.

NCSMSB does not charge for its services. It depends on donations and government grants to fund its activities.

PALLIATIVE HOME CARE

Providing the best possible care and support for those affected by cancer to:

- Prevent/relieve pain and suffering
- Assist in getting appropriate assessment and treatment
- Improve their quality of life

WHAT IS PALLIATIVE CARE

Palliative care is an approach that improves the quality of life of patients (adults and children) and their families who are facing problems associated with life threatening illness. It prevents and relieves suffering through the early identification, correct assessment and treatment of pain and other problems, whether physical, social or psychosocial.

OUR SERVICES

Patient Care Services

- Palliative home care
- Loan of medical equipment

Community Activities

- Public awareness and education
- Training

PALLIATIVE HOME CARE

Palliative Home Care aims to improve the quality of life of terminally ill cancer patients, by providing medical and psychosocial support to patients and their families, in their homes.

NCSMSB home care team comprises full-time nurses and a volunteer doctor trained in palliative care. Palliative Home Care service is only available to patients living within a 20km radius from NCSMSB office.

Once registered, the team will visit the patient at home for an initial assessment, before further management plans are discussed with the family.

REFERRAL FOR HOME CARE

If you would like to refer/register someone for our Palliative Home Care programme, please download:

**NCSMSB Home Care Patient
Referral Form at
<https://sarawakcancer.org.my//>**

LOAN OF MEDICAL EQUIPMENT

As many patients on palliative care also require various equipment to make them more comfortable, NCSMSB lends out medical devices such as hospital beds, ripple mattresses, commode chairs, wheel chairs, oxygen concentrators etc. to our patients.

These equipment are either bought by the Society using government grants or are donated by the patients' families and the general public.

PUBLIC AWARENESS & EDUCATION

NCSMSB conducts and participates in:

Scientific Seminars

- For medical & health personnel

Community Programmes

- Public talks and forums
- Community activities

The aim is to promote healthy lifestyles, raise awareness about cancer, encourage early cancer detection through screening and seek appropriate medical advice.
